About Me

I, Carmen Suero, have been an animal lover ever since I was a young child. After working in the medical field for over 25 years, it became apparent that I could no longer shuffle paper for a living. I have lived in Miami for 28 years, and New York City for 10. My friends, family members, and my own heart's calling has led me here to provide loving services for your pet. I am licensed and insured, and a member of NAPPS (National Association Of Professional Pet Sitters). [Click here](#) to read about me in the October 2006 issue of LRM Magazine.

You can rest assured that your dog, cat, or parrot/bird is in loving hands. It will be acknowledged by your pet's behavior.

A LOVED PET IS A HAPPY ONE!
