Dog Boarding

Happy Paws offers boarding at your home where your dog will be in his own comfortable surroundings which soothes the anxiety from the owners not being at home. For dogs their territory is very important. 2 to 3 weeks notice required.

Boarding one client at a time at my home, located on the bay, is also available. My accommodations are a plea from pet and pet's owners alike. I will only board same owner pet(s) at a time. You must show proof of up to date vaccinations confirming DHPP, Rabies, and Bordatella for obvious health reasons.

I offer Bathing for a fee if owner desires, and daily brushing and plant watering is included in the service.

Medications: Written instructions by your vet must be provided to insure proper care for your pet. Please provide emergency contact numbers.

Your pet will have the tender loving care they deserve as if they were part of my family.

A LOVED PET IS A HAPPY ONE!
